

Are YOU A Parent On Board?

The Swanton Area Community Coalition (SACC) is a volunteer community group working together to create a strong caring community, empowered to build excellence in our youth in both character and action. SACC is committed to protecting young people from using alcohol, tobacco and other drugs. As a parent you can help us combat youth substance abuse by signing the Parent On Board pledge. Your signature means that **you will not allow drugs or alcohol use by minors in your home.**

Please join those that have already made the pledge to keep drugs and alcohol out of our kids' hands by filling out the pledge card and mailing this form to SACC, 95 N. Main St., Swanton, OH 43558.

Upon receipt, we will mail you a Parent On Board window cling to display your support. An upcoming community events calendar will also be emailed and accessible on our website at www.swantoncoalition.org. For more information about SACC or the Parent On Board campaign please call (419) 826-1222.

I/We pledge to keep our home free from alcohol, tobacco and other drug use by our children.
